Y'all wanna know how I been  
Livin the life I'm livin'  
It ain't so forgivin'  
But I got people to help me go on livin'  
Because I ain't quittin'  
U gotta understand that these bars im spitting  
They come from the heart  
This is the life im livin

(Chorus)

Every single look that you give me  
Every time that we'd touch  
My heart speeds up just a little  
Cause I know I'm in love  
I know I'm in love

I've lived this life alone  
Ever since you've been gone

If I catch a case imma play my part  
And do that race from the startline  
Slap a nigga if he disresepect me they aint no second times  
All them other niggaz that hurt u they all finna die  
My love is hella high  
You know that ain't a lie  
Told you a Million times

Every single look that you give me  
Every time that we'd touch  
My heart speeds up just a little  
Cause i know I'm in love

Cause when u left me my heart went to pieces

Cause baby girl u r my world and I need you

Keep on being with you  
As long as the sky's stay blue  
Whatever you wanna do I'ma do it as long as it's with you, on gang

Life has its ups and downs  
But as long as I run this town  
I ain't gonna ever let you down  
Nigga im the king i have the crown  
I only want one thing from u girl  
Just hold me down

Every single look that you give me  
Every time that we'd touch

Every single look that you give me  
Every time that we'd touch
